

Employment Application

PETS at PLAY is always in search of dependable people who enjoy the company of animals. We need people who understand they have to be responsible for the care of living beings, loved by their owners, our clients, who entrust us with the well being of their pets and homes.

PETS at PLAY offers positions at our storefront in Richmond's historic Church Hill. We have opportunities during all shifts as well as on weekends and holidays.

We also need pet care professionals to walk dogs and to provide pet care for in-home service assignments throughout Metropolitan Richmond. This entails in-home care while our clients are away, such as daily dog walks during the morning, afternoon or evening; or pet and house-sitting overnight.

Caring for animals is rewarding and fun, but an enormous responsibility. We want people who can meet the following criteria.

- Love animals and knowledge of caring for them
- Excellent references
- Honest and dependable
- Able to complete a task by following directions
- 21 years of age
- Own an insured, reliable vehicle
- Own a cell phone
- Have access to an e-mail account
- Be able to pass a formal background check
- Be able to commit to taking work for at least 6 months

If the idea of working with pets excites you and you can answer YES to ALL the above requirements, please fill out the application completely and submit it for consideration.
